

DUST MITES

ARE YOU SLEEPING WITH THE ENEMY?

With our combined UV technology AQU-HEPA filtered dust extraction & allergen destroying treatment we can get rid of dust mite & cat allergens with just one treatment.

FACTS

The dust mite is the most common allergen found in New Zealand. Millions may inhabit one home but are invisible to the human eye. They live in beds, & carpets - guess where their favourite breeding spot is? Yes thats right, your bed is their perfect home.

MISSION STATEMENT

We aim to supply our clients with the best service possible. Assuring our quality by only supplying the best quality products & services with punctuality, professionalism & friendliness. Meeting & exceeding all quality & warranty standards.

CARPET & UPHOLSTERY CLEANING & PROTECTION

Introducing our revolutionary dry master carpet & upholstery cleaning system. Its deep steam system is up to 50% dryer than conventional carpet & upholstery steam cleaners allowing you to have your carpets cleaned **ANY TIME OF THE YEAR**, to the highest standard. Your carpets will be dry in hours not days (even in winter). We can also dry clean your carpets. **DRY MASTER IS EXCLUSIVE TO 'BIG JOHN'S'**. Dry carpet / Bonet Cleaning is also available on request

BLIND CLEANING & REPAIR

Vertical Blinds, Venetian Blinds, Roller Blinds, Roman Blinds, All Blinds.

WE CLEAN & REPAIR ALL TYPES OF BLINDS.

At Big John's we offer a 'same day' service (when required) which includes collection or removal in the morning & returned or installed that afternoon (repairs may take a little longer depending on availability of parts).

WINDOW CLEANING

- Commercial & domestic. Low & high raise buildings.
- Personnel friendly & prompt services.
- Our professional window cleaners clean all types & styles of windows inside & out.
- Giving a friendly & cost effective service.

GUTTER CLEANING

Gutter cleaning is a dirty, time consuming & often dangerous job but with our professional approach & high standards of workmanship, our customers are assured a professional job every time.

DID YOU KNOW..

Blocked gutters will eventually rot your guttering leaving your paintwork stained, taking years off the life of your guttering & down pipes & can be a fire hazard in dry conditions.

THAT'S WHY...

We commercially clean your gutters & storm water system.

PEST CONTROL SERVICES

ALL HOMES GET PESTS!

Cleanliness doesn't mean pest-free. Pests are detrimental to a person's health, your property & well-being. That's why at Big John's we focus on the well-being of your home & family by eradicating all unwelcome intruders.

SUCH AS:

- Ants
- Cockroaches
- Fleas
- Flies
- Rodents
- Spiders & White Tails
- Bora
- German Cockroaches

You will need professional help if you want to get fast & efficient results & we are able to provide you with the finest quality pest control in your home or business at a reasonable price.

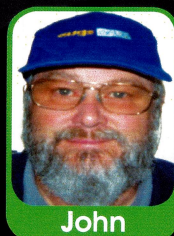

Wherever your pest problems are you can count on Big John's pest control to rid you of these vermin safely & efficiently.

All our technicians are trained & experienced, the products & procedures we use are proven reliable & because we're locally owned & operated you'll receive courteous & personal service.

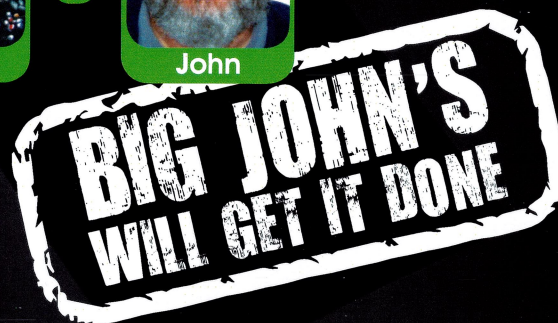

GUARANTEED QUALITY & SERVICE
